Subject : Educational Scholarship (2018-2019) for girl students only.

Dear Principal,

You may be happy to know that World Brotherhood Organisation (Regd.), an international, voluntary, non-political organisation founded in 1999. It took upon the motive of working for humanity as a whole, irrespective of caste, creed or religion. The organisation is engaged, through discreet efforts, in the charitable as well as social welfare activities since its inception.

Literacy is the key element for the successful life and education is the most powerful tool to develop it. Education is self-empowerment that imparts power of hegemony to the individual and a sui generis status in the society. Unfortunately, financial constraints sometimes suppress one's talent in life.

To cater the financial needs of underprivileged class for education and with a view to motivate their girl child to undertake her post-school education, World Brotherhood Organisation (Regd.) has pronounced a scheme for grant of educational scholarships. Detailed guidelines of which are enclosed with this letter.

Through this communication, we request you to identify the bonafide eligible girl students from your institution, who are not availing financial assistance/scholarship from any other agency, for this and forward their applications for the academic year 2018-2019 to the President, World Brotherhood Organisation at below mentioned address. We are sending a few Scholarship Application Forms with this letter, which should exclusively be used for the students of your institution. Photocopy of the form shall also be treated as valid application form.

Last date to receive completely filled application form is 21st September, 2018.

Yours sincerely
