Subject: Implementation of the provisions of the UGCF 2022 - regarding

Sir/ Madam,

It has come to the Notice of the University, through representation from the students, that they are not allowed to pursue dissertation in the 4th Year (Semester VII & VIII) thereby affecting their future studies in the fourth year at the Undergraduate level and also at the Postgraduate level.

The matter has been deliberated at an appropriate level and in this context, I am directed to inform you that students should be allowed to pursue Dissertation/ Academic Project/ Entrepreneurship as per their choice while pursuing the 4th Year of any Undergraduate Programme, including B.A. (Programme), B.Sc. (Programme) and B.Com (Programme) in the 4th Year affording them the flexibility to make informed decisions regarding their academic pursuits.

This is issued with the approval of the Competent Authority.

Yours sincerely,

Assistant Registrar (Academic)
